

Application. No. 10/720,280
Applicants: Thomas R. BOUSSIE *et al.*

REMARKS

This paper is presented in response to the restriction requirement of October 18, 2004 in which the Examiner alleged that the claims were divisible into two groups: Group I including claims 31-33 and 53-71 to a polymerization process and Group II, including Claims 34-52.

Applicants elect the Group I claims for prosecution in this application.

Non-elected, original Claims 35-36 are amended herein to delete the duplicative phrase "with the".

An early examination of the application is respectfully solicited.

Respectfully submitted,

Date: Nov 8 2004
